AKYAPAK®

**ABM - 42 NC
PIPE BENDING MACHINE**

ABM - 42 NC

FEATURES:

- * 4.7" Graphical Screen
- * Feed Rotation axis position to be viewable from the screen
- * Able to programme on Y B C mode
- * Able to programme in 10 lines
- * 10 different programme memory
- * Automatic bending axis
- * User friendly interface designed by AKYAPAK
- * Procurement of spare parts in desired dimensions
- * AKYAPAK service warranty
- * High quality hydraulic system
